MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Chemicals dyes Industry

In view of the slow- down on the economic front over the world and its corresponding impact on chemical dyes Industry across the globe, the chemicals dyes business experienced very challenging conditions during the year. With high natural / synthetic prices and the slowing down in end-product demand, customers undertook production cuts at periodic intervals. This did impact the demand for chemicals dyes adversely. The resultant mismatch in supply and demand of certain key chemicals impacted their selling prices, resulting in pressure on margins. Cost increases on account of various inputs, aggravated the situation further. Despite this, our Company managed to retain its volumes at the previous year's levels.

Industry Structure and Development

Chemical industry is capital as well as knowledge intensive industry. This industry plays a significant role in the Global economic and social development. It is also human resource intensive industry and hence generates employment. The diversification within the chemical industry is huge and covers more than thousands of commercial products. Chemicals are used in a wide variety of products and processes. They are major contributors to national and world economies, their sound management throughout their lifecycle is essential in order to avoid significant and increasingly complex risks to human health and ecosystems and substantial costs to national economies. There is immense potential for increasing consumption within the country as also for India to become a reliable supplier of such quality chemicals to the world.

Chemicals play a major role in improving the quality of life by enabling the manufacture of the goods and materials that need whilst mitigating adverse environmental impact. By developing new usages of chemicals, processes and sustainable routes to produce novel environmental friendly materials, it can achieve low carbon processes that can make high value products of the Company for humans and solve energy and sustainability challenges.

Our Company is a manufacturer and supplier of Chemical Dyes, Dye Intermediates and Basic Chemicals. It currently focuses on manufacturing basic chemicals to feed dye intermediates and dyes manufacturing through a successful strategy of backward integration. The product range caters mainly to textiles industries. The Company has its manufacturing facilities at Dombivali, District Thane and Khed, District Ratnagiri. The setting up of additional production facilities will enable your Company to capture a higher market share out of additional production volumes.

The company achieved a turnover of Rs.40.73 Crore during the current year as against Rs. 27.33 Crore during the previous year thereby reporting an increase of 49.03%. The exports during the year has been 31.33 Crores as compared to Rs.26.76 Crores during the previous year, thereby reporting an increase of 17.07%

Business Outlook: Opportunities and threats

Over the last fifteen years, the Indian chemicals industry has graduated from manufacturing principle chemicals in a highly regulated market to being a mature industry in a liberalized economy. Until 1991, India had a closed economy, with the domestic chemical industry enjoying protection in the form of differential import duties on raw materials and finished chemical products. Chemical manufacturing was largely controlled by licensing regulations. This industry is among the fastest growing industries in India. The bulk of chemicals produced in India comprise either upstream products or intermediates, which go into a variety of manufacturing applications.

Indian chemical companies with well-built systems and structured operations are likely to be benefited. It has been contributing to India's growing economy in a phenomenal way. Today, India has achieved considerable progress in production of basic organic and inorganic chemicals, dyestuffs and intermediates. Those companies who are manufacturing highly valued chemicals and who are compliant of industrial quality standards can make their mark not just in India but even in the overseas markets as well.

The sales efforts are also well supported by a team of technical experts who play a pivotal role in providing pre / post sales technical services, training to customer's employee, on-site back-up, recipe and process customization, product development etc.

Our Company's R&D activities broadly comprise various processes for developing new products, standardizing analytical methods and identifying substitutes for key raw materials. Through the R&D centre, the Company continuously interacts with consumers to obtain feedback on its existing as well as new products to complement its new product development activities.

**Threats, Risks and Concerns:**

The Company is a manufacturer and suppliers of Dyes, Intermediates and Basic chemicals. However, the following major issues may hamper business operation as well as growth of the Company:

- (a) Volatility in prices of raw material especially crude oil and transportation cost can adversely affect the business operations and can thin out the profitability of the Company.
- (b) The Company is doing business with various countries, therefore, our business operations and growth is dependent upon the political, climatic, economic, regulatory and social environment of such countries.
- (c) The Company is an exporter therefore; the volatility in foreign exchange rates may affect the business operation as well as growth of the Company.

The Company is continuously working towards achieving further improvements in the quality of its products as well as in technological and operational efficiencies of its manufacturing processes. It also strives to develop new products to improve its participation in the market and enlarge its product range. The company is also, through its strong research initiatives, engaged in developing new products which would meet the emerging needs of its customers and the environmental challenges of the future. The pricing scenario of chemicals dyes, accordingly, is likely to undergo a positive change with the reduction in the global supply position.

Periodic assessment across the Company is undertaken to identify and thereafter prioritize significant risks. Owners are identified for all such risks and are assigned the responsibility to develop and deploy mitigation strategies. These are subjected to a review by the Board.

With the expectation of an improvement in the market conditions for the Chemical Industry during the year, the Company will endeavour to perform better than the last year.

Performance of the Year

The adverse business sentiments coupled with slowdown in the domestic chemical sector resulted in fluctuating demand for chemicals from key customer accounts. The continued dumping by our competitors further aggravated this situation. Despite this, we succeeded in maintaining our volumes more or less of the same levels as in the previous year. The turnover witnessed increase in value terms with an improvement in selling prices of some of our products. These were necessitated on account of steep increase in our input costs, which to some extent, we managed, to pass on to the customers. Our Export business too has not been able to witness any growth due to the uncertain and fragile nature of the economic situation in the developed markets, more particularly in the European markets.

Financial and Operational Performance

The highlights of the Financial Operational Performance are given below :

(Rupees In Lakhs)

Sr.No	Particulars	2014-15	2013-14
1.	Sales/ Income from Operations	4,073.53	2,733.16

The company has appointed an Independent internal auditor to conduct internal audit and to ensure effective compliance and effectiveness of the Internal control systems in place.

The members of the Audit Committee is regularly reviewing the Internal Audit Reports for the audit carried out in all the significant areas of the operations. In addition to it, the Audit Committee approves all the audit plans and reports for significant issues raised by the Auditors. The Internal Audit Reports are circulated on a regular basis for the perusal of the Senior Management and appropriate action is taken as and when required.

Material developments in human resources

In view of the acute shortage of skilled and equipped human resources prevailing in the country, our focus during the year was to enhance the capabilities of our existing workforce. In order to ensure employee motivation and confidence level which would enable the Company to face the current challenges and seize future opportunities, various initiatives were taken for the same. Necessary steps are taken to strengthen the areas in which the employees of the Company need improvement. The Company complies with all the regulations pertaining to Safety. The Company continues to have an excellent track record in the area of Safety. The main objective of the company is to achieve zero accident/ incident and safe working environment. Regular programmes are therefore held on health and safety awareness, fire fighting and first aid, apart from other development programmes. Industrial relations remained cordial during the year.

Independent Auditor's Report

To The Members of **Chromatic India Limited**

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **Chromatic India Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements, subject to note nos. 27, 28, 29, 30 & 35 give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) In the case of the Standalone Balance Sheet, of the state of affairs of the Company as at March 31, 2015;
- (b) In the case of the Standalone Statement of Profit and Loss, of the Profit of the company for the year ended on that date and
- (c) In the case of the Standalone Cash Flow Statement, of the cash flows of the company for the year ended on that date.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that :
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit
 - b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the balance sheet, the statement of profit and loss and the cash flow statement dealt with by this Report are in agreement with the books of account;
 - d) in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014; and
 - e) on the basis of the written representations received from the directors as on 31 March 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2015 from being appointed as a director in terms of Section 164 (2) of the Act;
 - f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - (ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, and as required on long-term contracts including derivative contracts.

Note-24 Significant Accounting Policies

24.1 Basis of Preparation of Financial Statements

- a) These financial statements have been prepared in compliance with the Generally Accepted Accounting Principles applicable in India (Indian GAAP), including the Accounting Standards notified under the relevant provisions of the Companies Act, 2013.
- b) The financial statements have been prepared under historical cost convention, on an accrual basis. The financial statements are presented in Indian rupees rounded off to the nearest rupees in lacs.

24.2 Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known /materialized.

24.3 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sale of Goods

Revenue is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer. Excise Duty, Sales Tax and VAT are deducted from turnover (gross).

Interest

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividends

Revenue is recognised when the shareholders' right to receive payment is established by the balance sheet date. Dividend from subsidiaries is recognised even if same are declared after the balance sheet date but pertains to period on or before the date of balance sheet.

Rentals

Revenue is recognised on accrual & time proportion basis.

24.4 Accounting for Export Incentive:

Export incentive are recognised on exports on accrual basis, and based on the estimated realizable value of such entitlements.

24.5 Fixed Assets

Fixed Assets are stated at cost (net of Cenvat Credit) of acquisition/construction and includes amounts added on revaluation, less accumulated depreciation and impairment loss. Cost includes purchase price, borrowing costs and any direct expenses as well as clearly identifiable indirect expenses incurred to bring the assets to their working condition for its intended use.

**24.6 Depreciation and Amortisation**

Depreciation on Fixed Assets is provided to the extent of depreciable amount on 'Straight Line Method' as on 31.03.2014 on the remaining useful life of the Assets in the manner and at the rates specified in Schedule II of the Companies Act, 2013 except in the case of buildings where WDV as on 31.03.2014 has been depreciated in the remaining estimated life of the asset (as certified by the management in the absence of complete details of additions), which is different than those prescribed in schedule-II. Assets acquired under finance lease are depreciated over the period of lease. Leasehold land & and premium thereon are depreciated over the period of lease. Also individual capital items of upto a value of Rs.5,000/- have been fully depreciated.

24.7 Impairment of Assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. Previously recognised impairment loss is increased or reversed depending on changes in circumstances. However the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

24.8 Leased Assets

Finance leases, which effectively transfer to the Company, all the risks and benefits incidental to ownership of the leased item, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are charged directly against income. Lease management fees, legal charges and other initial direct costs are capitalised. If there is no reasonable certainty that the Company will obtain the ownership by the end of the lease term, capitalized leased assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

24.9 Foreign Currency Transactions**i) Initial Recognition:**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion:

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

(iii) Exchange Differences:

Exchange differences arising on a monetary item that, in substance, form part of the company's net investment in a non-integral foreign operation is accumulated in a foreign currency translation reserve in the financial statements until the disposal of the net investment, at which time they are recognised as income or as expenses.

Exchange differences arising on the settlement of monetary items not covered above, or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

iv) Forward Exchange Contracts not intended for trading or speculation purposes:

The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the statement of

profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contracts is recognised as income or as expense for the year. None of the forward exchange contracts are taken for trading or speculation purpose.

24.10 Investment

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the Investment.

24.11 Inventories

Inventories are valued as follows:

Raw materials, packing material, Work in progress, components, stores and spares:

Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on First in First out basis (FIFO).

Finished goods:

Lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the product saleable.

24.12 Taxes on Income

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. Deferred income tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the Minimum Alternative tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account

and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

24.13 Employee Benefits

Retirement benefits in the form of Provident Fund and Government administered Employees Insurance and Pension Plans are defined contribution schemes and the contributions are charged to the Profit and Loss Account of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.

Gratuity liability is a defined benefit obligations and are provided for on the basis of an actuarial valuation. The Company makes annual contributions to the Employee's Group Gratuity-cum-Life Assurance Scheme of the Life Insurance Corporation of India, a funded defined benefit plan for qualifying employees. The Scheme provides for lump-sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service.

The Company has a scheme for compensated absences for employees, the liability of which is recognized on actual basis instead of accrual basis and charged to Profit and Loss Account in the year of payment.

Expenditure on Voluntary Retirement Scheme are amortised over the period of two years.

24.14 Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

24.15 Earnings Per Share

Basic earnings per shares is computed and disclosed using the weighted average number of common shares outstanding during the year. Diluted earnings per share is computed and disclosed using the weighted average number of common and dilutive common equivalent shares outstanding during the year, except when the results would be anti-dilutive

24.16 Provision

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

24.17 Cash and Cash equivalents:

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

Independent Auditor's Report

To The Members of **Chromatic India Limited**

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of **Chromatic India Limited** ("the Company") & its subsidiaries, hereinafter referred to as the "Group" which comprise the Consolidated Balance Sheet as at March 31, 2015, and the Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements, subject to note nos. 27, 28, 29 & 35 give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) In the case of the Consolidated Balance Sheet, of the state of affairs of the Group as at March 31, 2015;
- (b) In the case of the Consolidated Statement of Profit and Loss, of the Profit of the Group for the year ended on that date and
- (c) In the case of the Consolidated Cash Flow Statement, of the cash flows of the Group for the year ended on that date.

These financial statements of the subsidiary have been audited by other auditors whose report have been furnished to us, and our opinion, in so far as it relates to the amount included in respect of these subsidiaries, is based solely on the report of other auditors.
2. We have audited the financial statements of the Chromatic Ferro Alloys Limited a subsidiary of the Company, whose financial statements reflect Group's share of total assets of total assets of Rs. 13.00 Lacs as at 31.03. 2015,(13.00 Lacs as at 31.03.2014), the total revenue of Rs. 0.00 Lacs as at 31.03.2015 , (0.00 Lacs as at 31.03.2014) and net cash inflows of Rs. 0.00 Lacs as at 31.03. 2015, (0.00 Lacs as at 31.03.2014) as considered in the consolidated financial statements.

Report on Other Legal and Regulatory Requirements:

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that :
 - a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit
 - b) in our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c) the balance sheet, the statement of profit and loss and the cash flow statement dealt with by this Report are in agreement with the books of account;
 - d) in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - e) on the basis of the written representations received from the directors as on 31 March 2015 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2015 from being appointed as a director in terms of Section 164 (2) of the Act and
 - f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - (ii) The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, and as required on long-term contracts including derivative contracts.
 - (iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure to Auditors' Report

The Annexure referred to in our Independent Auditors' Report to the members of **Chromatic India Limited** on the Consolidated Financial Statements for the year ended March 31, 2015, we report that:

1. In respect of its Fixed Assets:
 - a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets on the basis of available information.
 - b) As explained to us, all the fixed assets have been physically verified by the management in a phased periodical manner, which in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. As informed, no material discrepancies were noticed on such verification.
2. In respect of Inventories:
 - a) The inventories have been physically verified by the management during the year. In our Opinion, the frequency of verification is reasonable.
 - b) In our opinion and according to the information and explanations given to us, the procedures of physical verification of inventories followed by the management are reasonable and adequate in relation to the size of the company and the nature of its business.
 - c) The Company has maintained proper records of inventory. As explained to us, there were no material discrepancies noticed on physical verification of inventories as compared to the book records.
3. In respect of the Loans, secured or unsecured, granted by the company to companies, firms or other parties covered in the register maintained under section 189 of the Companies Act, 2013 ('the Act') there is no overdue amount of loan granted to said companies.
4. In our opinion and according to the information and explanations given to us, there exists an adequate internal control system commensurate with the size of the company and the nature of its business with regard to purchase of inventory, fixed assets and with regard to the sale of goods and services. During the course of our audit, no major weakness has been noticed in the internal control system in respect of these areas. During the course of our audit, we have not observed any continuing failure to correct major weakness in internal control system of the company.
5. According to the information and explanations given to us, the company has not accepted any deposits from the public.
6. The Company is required to maintain the cost records as prescribed by the Central Government of India under sub-section (1) of section 148 of the Companies Act for the activities carried on by the company. We are of the opinion that prima facie the prescribed records have been maintained. We have, however, not made a detailed examination of cost records with a view to determine whether they are accurate or complete.
7. In respect of statutory dues:
 - a) Undisputed statutory dues including provident fund, investor education and protection fund, Employees' state insurance, income-tax, sales-tax, wealth-tax, customs duty, excise duty, have not been regularly deposited with the appropriate authorities and there have been slight delays in few cases.
 - b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, investor education and protection fund, employees' state insurance, wealth-tax, sales-tax, customs duty, excise duty and other undisputed statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable except an amount of Rs. 20,79,000/- on account of Income Tax for the A.Y. 2012-13 for which return is also not filed, Rs. 2,30,510/- on account of Dividend Distribution Tax for the F.Y. 2012-13 and interest thereon.
 - c) According to the information and explanations given to us the amounts which were required to be transferred to the investor education and protection fund in accordance with the relevant provisions of the Companies Act, 2013 and rules there under has been transferred to such fund within time.
8. The Company has no accumulated losses.

CHROMATIC INDIA LTD

9. Based on our audit procedures and as per the information and explanations given by the Management, we are of the opinion that the Company has not defaulted in repayment of dues to a financial institution or bank or debenture holders.
10. According to the information and explanations given to us and based on the documents and records produced to us, the Company has not granted loans and advances on the basis of security by way of pledge of shares, debentures and other securities
11. According to the information and explanations given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short-term basis have been used for long-term investment.
12. According to the information and explanations given to us, no material fraud on or by the Company has been noticed or reported during the course of our audit.

24.1 Basis of Preparation of Financial Statements

- a) These financial statements have been prepared in compliance with the Generally Accepted Accounting Principles applicable in India (Indian GAAP), including the Accounting Standards notified under the relevant provisions of the Companies Act,2013.
- b) The financial statements have been prepared under historical cost convention, on an accrual basis. The financial statements are presented in Indian rupees rounded off to the nearest rupees in lacs.

24.2 Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Difference between the actual results and estimates are recognized in the period in which the results are known /materialized.

24.3 Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Sale of Goods

Revenue is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer. Excise Duty, Sales Tax and VAT are deducted from turnover (gross).

Interest

Revenue is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividends

Revenue is recognised when the shareholders' right to receive payment is established by the balance sheet date. Dividend from subsidiaries is recognised even if same are declared after the balance sheet date but pertains to period on or before the date of balance sheet.

Rentals

Revenue is recognised on accrual & time proportion basis.

24.4 Accounting for Export Incentive:

Export incentive are recognised on exports on accrual basis, and based on the estimated realizable value of such entitlements.

24.5 Fixed Assets

Fixed Assets are stated at cost (net of Cenvat Credit) of acquisition/construction and includes amounts added on revaluation, less accumulated depreciation and impairment loss. Cost includes purchase price, borrowing costs and any direct expenses as well as clearly identifiable indirect expenses incurred to bring the assets to their working condition for its intended use.

**24.6 Depreciation and Amortisation**

Depreciation on Fixed Assets is provided to the extent of depreciable amount on 'Straight Line Method' as on 31.03.2014 on the remaining useful life of the Assets in the manner and at the rates specified in Schedule II of the Companies Act, 2013 except in the case of buildings where WDV as on 31.03.2014 has been depreciated in the remaining estimated life of the asset (as certified by the management in the absence of complete details of additions), which is different than those prescribed in schedule-II. Assets acquired under finance lease are depreciated over the period of lease. Leasehold land & and premium thereon are depreciated over the period of lease. Also individual capital items of upto a value of Rs.5,000/- have been fully depreciated.

24.7 Impairment of Assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life. Previously recognised impairment loss is increased or reversed depending on changes in circumstances. However the carrying value after reversal is not increased beyond the carrying value that would have prevailed by charging usual depreciation if there was no impairment.

24.8 Leased Assets

Finance leases, which effectively transfer to the Company, all the risks and benefits incidental to ownership of the leased item, are capitalized at the lower of the fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are charged directly against income. Lease management fees, legal charges and other initial direct costs are capitalised. If there is no reasonable certainty that the Company will obtain the ownership by the end of the lease term, capitalized leased assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

24.9 Foreign Currency Transactions**i) Initial Recognition:**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

(ii) Conversion:

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

(iii) Exchange Differences:

Exchange differences arising on a monetary item that, in substance, form part of the company's net investment in a non-integral foreign operation is accumulated in a foreign currency translation reserve in the financial statements until the disposal of the net investment, at which time they are recognised as income or as expenses.

Exchange differences arising on the settlement of monetary items not covered above, or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

iv) Forward Exchange Contracts not intended for trading or speculation purposes:

The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contracts is recognised as income or as expense for the year. None of the forward exchange contracts are taken for trading or speculation purpose.

24.10 Investment

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognise a decline other than temporary in the value of the Investment.

24.11 Inventories

Inventories are valued as follows:

Raw materials, packing material, Work in progress, components, stores and spares:

Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on First in First out basis (FIFO).

Finished goods:

Lower of cost and net realizable value. Cost includes direct materials and labour and a proportion of manufacturing overheads based on normal operating capacity. Cost of finished goods includes excise duty.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the product saleable.

24.12 Taxes on Income

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India. Deferred income tax reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognised only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that they can be realised against future taxable profits.

At each balance sheet date the Company re-assesses unrecognised deferred tax assets. It recognises unrecognised deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realised.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the Minimum Alternative tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

**24.13 Employee Benefits**

Retirement benefits in the form of Provident Fund and Government administered Employees Insurance and Pension Plans are defined contribution schemes and the contributions are charged to the Profit and Loss Account of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.

Gratuity liability is a defined benefit obligations and are provided for on the basis of an actuarial valuation. The Company makes annual contributions to the Employee's Group Gratuity-cum-Life Assurance Scheme of the Life Insurance Corporation of India, a funded defined benefit plan for qualifying employees. The Scheme provides for lump-sum payment to vested employees at retirement, death while in employment or on termination of employment of an amount equivalent to 15 days salary payable for each completed year of service or part thereof in excess of six months. Vesting occurs upon completion of five years of service.

The Company has a scheme for compensated absences for employees, the liability of which is recognized on actual basis instead of accrual basis and charged to Profit and Loss Account in the year of payment.

Expenditure on Voluntary Retirement Scheme are amortised over the period of two years.

24.14 Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

24.15 Earnings Per Share

Basic earnings per shares is computed and disclosed using the weighted average number of common shares outstanding during the year. Diluted earnings per share is computed and disclosed using the weighted average number of common and dilutive common equivalent shares outstanding during the year, except when the results would be anti-dilutive

24.16 Provision

A provision is recognized when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

24.17 Cash and Cash equivalents:

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.
